

Parthe Tube Ice Technology

<http://www.parthetubeicemachinemaker.com/>

We are counted among the topmost organization involved in manufacturing and supplying a wide array of Ice Plants and Equipment. These products are widely appreciated in the market for their trouble free performance and longer service life.

Profile

Founded in the year of **2013**, we, **Parthe Tube Ice Technology**, are listed among the most reliable and prominent organization of this domain actively engaged in manufacturing and supplying a wide assortment of Ice Plants and Equipment. Offered machines are highly admired across the market for their unmatched performance and sturdy construction features. To cater the ever evolving demands and requirements of our clients in most effective manner, we are offering these products in various configurations. We offer these products at market leading price for our customers within the promised period of time. Offered range of products includes Tube Ice Plants, Ice Plant Equipment and Block Ice Plants. We manufacture these products by using optimum grade components.

We are a highly modern organization involved in offering best quality products for our patrons. We are backed by our highly advanced infrastructure unit and efficient workforce. Our facility is laced with the all latest machines and tools desired for the manufacturing of the offered products. We upgrade our facility on regular period of time to make our offering as per the industry approved norms and standards. Our professionals are working hard to achieve the well-defined organizational goal. We are supported by well-connected distribution network to deliver the offered products timely at client place.

Under the firm direction of our mentor, **Mr. Aniket Parthe**, we have been able to cater the ever-evolving requirements of our clients in best possible manner. We are increasing our reach day by day owing to his assistance.
